

## Making (More) Disciples

---

### PRAYING FOR THE PROJECT

Pray that Grace Rancho would continue to proclaim Jesus Christ so that people are transformed and God is exalted.

Pray for hope and energy as our congregation continues to labor in the Lord.

Pray that the Lord would guide our work and produce much spiritual fruit through our efforts.

Pray that everyone who enters into our church would exit with renewed hope in the Lord and desire to do his will.

Pray that the church universal would be built through the training and sending of future pastors and missionaries.

Pray that our church building would always house teaching faithful to the Scriptures and relevant to the lives of those who hear it.

Pray for the Lord's will to be done in all our planning and giving, and in how we use what he provides for our ministry as a congregation.

Pray for the Lord to guide and give wisdom to Grace Rancho's leaders throughout the project.

Pray that the Lord would grant our church supernatural unity, rooted in the gospel, throughout this project.

Pray that the Lord would receive all glory from our efforts big and small.
